Hasil setingan sebagai berikut

The screenshot shows the 'Submissions' interface of Plagscan. At the top, there is a header 'Submissions' with a close button. Below it, a grey box contains the text: 'Create filing codes here for students/authors to submit papers directly to your account <https://www.plagscan.com/unika>'. A blue button labeled 'Create new submission' is highlighted with a red box. Below this is a table with the following columns: Title, Label, Deadline, and Code. The first row of the table has the following data: Title: 'Program Studi ARSITEKTUR', Label: 'TUGAS AKHIR', Deadline: '-', and Code: 'xmpL2Yk'. The 'Code' column is highlighted with a red box. Below the table, there are four icons: a pencil, a document, a trash can, and an information icon. Two red arrows point from text boxes to the interface. The first arrow points from the text box 'Klik *Create new submission* untuk membuat kelas baru' to the 'Create new submission' button. The second arrow points from the text box 'Kode kelas untuk masuk login upload' to the 'Code' column.
